A perfect getaway for all ages to enjoy!

★★★★★ 5 of 5

This home was just perfect for our weekend getaway with friends to celebrate a birthday! The view was breathtaking! Just being able to listen to the ocean 24 hours a day, and watch the surfers and the dogs playing on the beach from the patio was so delightful! We could walk to everything from the house to dine, shop, stroll on the beach, and just a short beautiful drive to the local wineries. The house was absolutely beautiful, open and bright, and equipped with everything we needed. The beds were so comfortable, and so was the couch! It had plenty of room for 5 of us, and was just an amazing weekend! We are already planning our next get together at the Oceanfront Loft, but next time we are staying longer! Thank you for sharing your home with us for an incredible time making some wonderful memories that will last a lifetime!

Can't Get Any Better!

★★★★★ 5 of 5

This is an out the door on the beach loft. We had a three year old amongst us, and it was so convenient to run back to the loft from the beach, in just seconds, when we needed to do so. The kitchen and living areas were full of ocean views! We could watch the surfers from our comfy living room chair or deck. Everything you need! Very clean. Your own garage. We had so many plans to go and see many things, but spent most of the time on the beach, which was right out the door. It is expensive...but once and a while some things are worth it. It would be nice, though, if at least one of the beds was a King--tall people do exist.

A lovely place to rest.

★★★★★ 5 of 5

Our family has stayed in Cayucos before on Studio and I was slightly worried that staying 'in town' would mean maybe noisy? Or that the businesses surrounding the home would be an irritation? And the answer to both of those is happily a 'no' - we were completely at peace in the space and had a wonderful time. We hope to be back!

Couldn't ask for a better view

★★★★★ 5 of 5

We were lucky enough to spend 3 glorious days in Cayucos at this beautiful home . We had coffee on the balcony watching the waves and the surfers. We continued to spend a lot of our time on this balcony and loved hearing the ocean at night. The weather was perfect for early November. The kitchen was well appointed. Everything was exceptionally clean. The decor beautiful. The accommodations very comfortable and there wasn't one thing we could have needed. Walking distance to everywhere in town. We will come back to this place again. Hopefully the word doesn't get out about this gem- I would hate for it always to be booked up ;)

Spectacular Ocean Front Condo

★★★★★ 5 of 5

My husband & I stayed here recently and could not get over the size of this beautiful condo that sits in the heart of Cayucos. We have stayed at many places in this area and this one by far is our favorite. This home is very roomy and nicely decorated. The kitchen is very modern with updated appliances and it has everything one needs for cooking that favorite family meal. The patio overlooking the beach side is very comfortable and large enough for the entire family to gather. We were able to enjoy the most amazing sunsets in the evening. The owners were even so kind to leave a pair of binoculars for the guest to use to take in all the breath taking scenery. We were

able to see an abundant of seals and sea otters swimming in the ocean directly in front of our condo. Really Amazing! We loved the fact that we were so close to the pier and every great eatery and shop in this quaint little beach town. I can't wait to come back!!

Amazing views and location

★★★★★ 5 of 5

We stayed here with a group of 5 and I couldn't be more impressed with this place. The quality of this home is unbelievable the kitchen was amazing and it was very nicely furnished. The views from the pier to the rock were fantastic. This is a very impressive property. It was very nice that there was garage parking for 1 car, very convenient in the downtown area. I believe we were the first guests and we were very pleased. Thanks for having us and we hope to come back!
