Great House with Lots of Amenities

We stayed for a four day weekend in Paso and this house was great for our group! Lots of bedrooms and bathrooms. Very comfortable, well furnished, and nice. The backyard and pool are amazing and made for a great place to relax!

A great place for a large group!

★★★★★ 5 of 5

The Tolle House was in great shape with nice beds and bedding. The location is perfect as it is a short walk to cafes, shops and restaurants. Everything was perfect. There is a large kitchen and dining table and four bathrooms so perfect for large groups or an extended family. We were four couples that came to Paso for a Wine Weekend and we were not disappointed!

Awesome Paso Home

★★★★★ 5 of 5

Very pleased with this home, perfect layout for our group and nicely furnished. It's a historic home which is very fun but has been upgraded all the baths and the kitchen is very nice. The pool, hot tub and BBQ were great, we had a blast. This is a very special home and we had a great time in Paso. We booked online and the manager called to thank us and answer questions, everything was easy, Misty was our contact and she was great. Would absolutely return. Thanks for having us!

Tolle house was great for our group

★★★★★ 5 of 5

We loved staying in this amazing historic home that was very nicely remodeled. It was very neat to stay in such a special property and the owners did such a good job with the furniture and all the included items. We had a blast in the pool on those hot days. Wine tasting in the Paso area was some of the best I have experienced and the dining options were great - plus we could walk to town and back from the home so no driving needed. Very good experience.

Fantastic Paso Home

★★★★★ 5 of 5

Best home we have rented by far, very spacious and well equipped and we loved the pool and hot tub. We walked to town several times and had a great BBQ in the back yard. Kitchen was very well equipped. For our large group of 10 people this was the perfect spot, I love the Paso area and we will be back to rent the Tolle house.

Ultimate friends getaway house

★★★★★ 5 of 5

This was such a perfect place for a girls weekend. There were 9 of us and the house was perfectly comfortable for all of us. Everyone loved the house and the location. It was such a great place that no one wanted to leave to go downtown or do anything but relax at the house!

Great space, great location!

★★★★★ 5 of 5

This house was the perfect place for our ladies-only getaway. There were 9 of us in total, but we never felt crowded. The place is beautiful, very clean, well lit and only a 5-minute walk to downtown. All of the amenities we needed were on site and easy to locate. We particularly enjoyed the lovely backyard with the hot tub. Beds are very comfortable with nice linens. I look forward to staying in this lovely home again!

Best of All Worlds!

★★★★★ 5 of 5

Four gals and I spent five days at the amazing Tolle House. From start to finish our stay was first class. Helen and Ken were extremely responsive to every inquiry, including where to rent bikes and routes to ride. They also included suggestions for dining, wining, and hiking which were spot on.

The house was AMAZING! The indoor and outdoor spaces were ample and luxurious. Cooking in the kitchen and out on the patio at the grill were a delight. The beds were very comfortable and the showers powerful. Add to that a refreshing pool and relaxing hot tub and you'll find yourself never wanting to leave the property!

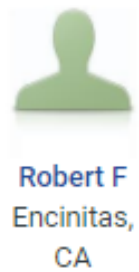

Of course, you will! Biking from the house was great. Lots of challenging routes right from the well-equipped garage/workshop. You can even drive to the coast and do some great rides there as well.

When you are finished, you can take a short walk to town to shop and eat, or shop at the farmer's market/grocery stores and prepare your own gourmet meals.

We are all looking forward to our next opportunity to stay at Tolle House. Thank you Ken and Helen!!!

WONDERFUL HOME FOR LARGE FAMILY VACATION!

★★★★★ 5 of 5

Our extended family stayed in this home for a family wedding and loved spending time in the Tolle House. The outdoor space was magnificent with the pool, spa, and large outdoor table giving us additional room for our group of 10. On the downtime from the wedding events, we thoroughly enjoyed lounging in the pool, or having a cup of coffee, meals, or a glass of wine in this private yard. The indoor space was equally perfect. We loved the large kitchen and dining room table for group meals. The kitchen was well stocked with tools, utensils, and appliances. In addition, all five bedrooms were very comfortable for this large group of 10. The location of this home is perfect and there was plenty to do. Some walked or biked into town, others drove out to a winery or brewery for a tour, and others drove a half hour out the beach. We all hated to leave this home and wished we had planned to stay longer. Thank you so much.

The PERFECT house!!

★★★★★ 5 of 5

We recently rented the Tolle house for a wine getaway with 4 other couples for my husbands 50th birthday! The house far exceeded our expectations! It was GORGEOUS and spacious and had tons of charm. We had everything we needed and had more than enough space for the 10 (!) of us. The pool was really a hit and we lounged for many hours just laughing and talking while floating away! When split between the 5 couples, it was a great value! We absolutely plan on renting the tolle house again!!! And just a lil FYI, the pictures of the front of the house don't due it justice! They need to take some new shots because the front is so much more inviting than the pictures show!

Bachelorette Party success

★★★★★ 5 of 5

Friends from all over California met to celebrate our friend getting married and the Tolle House was a perfect home base. The kitchen and dining room were very spacious and had a sound system that made it easy to celebrate while we prepared meals. The backyard was perfect for poolside bachelorette games. All the beds were comfortable and plenty of bathrooms for a group of nine ladies. A wonderful time was had by all!

Perfect House for a Group

★★★★★ 5 of 5

This house was just great....plenty of room and plenty of bathrooms! We took full advantage of all it had to offer...the pool, hot tub, the bikes, close location to downtown, rocking chairs on the front porch, and large table for all to dine. It worked just perfect for our family get-together. We wish we had stayed another day/night to enjoy it even more (we had a family wedding, so took up a big chunk of our weekend time). We would love to go back for another weekend now that we've found it, and enjoy the downtown dining and the local wineries.

Great Vacation Home

★★★★★ 5 of 5

We rented this house with multiple couples, and our experience was above expectations. Every room was comfortable and charming. It was very cold when we arrived but the heater worked great. The bedding was more comfortable than many hotels, and the place was very clean. As for the rest of the house, it was beautifully appointed with many original and historic fixtures. The furniture was well thought out for a group and we enjoyed our meals at the large dining room table. The hot tub heated up fast, and we hope to return again!
